

November

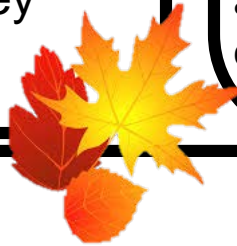

Week of 18-22

This week we are going to have a fun week talking about the Rainbow! We are going to be looking at all the different colors that we have learned about, and explore different books that have all of the colors in them. There should have been a bag of books in your child's backpack. These books were donated to our kids by Bernie's Books. These are for you to keep at home and enjoy with your child! Also coming home is information about the in-school dental care on January 21st and 22nd.

Please keep in mind that we will still be going outside until the temperature goes below 25 degrees. Please make sure they are dressed appropriately and have hats and gloves if they need them.

Speech tip from Miss Grace:
Remember language is everywhere, even if you child doesn't understand everything you are saying, he or she needs the exposure. Car rides, walks outside, blowing bubbles are just a few examples. Describe what you see, and ask questions, e.g, "I see a cow. What does a cow say?"
