What we are learning

This week we will be discussing the color white. We will also be talking about fall and leaves. I am asking that each family send in 1-3 leaves in a Zip Lock bag to share with friends at school and to observe in our Science center.

Please make sure children are dressed appropriately. We will go outside if the feels like temperature is 25 degrees or higher.

Help your child understand and ask questions. Play the yes-no game. Ask questions such as, "Are you Marty?" and "Can a pig fly?" Have your child make up questions and try to fool you. Ask questions that include a choice. "Do you want an apple or an orange?" "Do you want to wear your red shirt or your blue shirt?"

At Home

Practice writing your name.
