

December

Week of December 16-20

This week we will be learning about the shape square. We will also continue talking about winter. We are going to be talking about gingerbread men. We will be reading the story *The Gingerbread Man Loose in the School*. Miss C. has also been continuing to practice turn taking and wait time with the students, and they keep getting better at it! On Wednesday we will be having our Winter Party with Miss Koldon's class. We will be doing winter themed activities throughout the day.

Please keep in mind that we will still be going outside until the temperature goes below 25 degrees. Please make sure they are dressed appropriately and have hats and gloves if they need them.

Speech tip from Miss Grace: Winter Break is a great time to work on teaching your child about opposites. Let them help you with chores around the house. Talk about things that are dirty/clean, hot/cold, empty/full and in/out. It is also a great time to embed opposites into simple routines such as, "Turn the light off/on." and "Turn the water on/off." Have a wonderful holiday season!

Reminders

Wednesday will be our Winter Party with Miss Koldon's class.

Important Dates

12/23-1/3 No School- Winter Break!
