With two field trips coming up this week I really want to make sure I am able to get in contact with you when we are out of the ECC building. Please make sure to sign up for the Remind App before our field trip on Thursday. If you need help joining let me know, or you can give me your number or email address and I can sign you up from my end.

I am trying something new with Scholastic this year. I have added some of the books we will be using in class in the next few weeks to the "teacher recommendations" list if you want to read them at home too.

A Note From Our Speech Therapist:

Categories are everywhere! We put our toys in different bins. We eat food in the kitchen. We put our clothes in different drawers. Cut out pictures of favorite or familiar things. Put them into categories, like things to ride on, things to eat, and things to play with. Make silly pictures by mixing and matching pictures. Glue a picture of a dog behind the wheel of a car. Talk about what is wrong with the picture and ways to "fix" it. You can also work on concepts such as on, under, behind, and next to.
