

# December

Week of December 9-13

This week we will be learning about the shape oval. We will also be talking about winter. This week our book will be One Snowy Day. We have been working on waiting our turn as well as taking turns during play. Miss C. has been coming in for social group to play a game with the students to practice these skills, and they have been doing very well with this!

Please keep in mind that we will still be going outside until the temperature goes below 25 degrees. Please make sure they are dressed appropriately and have hats and gloves if they need them.

## Speech tip from Miss Grace:

The holidays are upon us, and family and friends will be gathering together to celebrate! Sometimes, large gatherings can be overwhelming for children. They may not want to talk or interact with guests. You can ease the pressure to interact by modeling possible phrases for the child, giving them choices, and using pictures. Pressuring your child to talk may cause them to shut down. Accept both verbal and non-verbal responses. Happy Holidays!
