

January

Week of 20-24

Hope you all had a wonderful long weekend. We have continued working on the classroom routines and expectations. The students are still adjusting to the whole school day, but have been doing a great job! Parent teacher conferences are in February. These are completely optional. We will be able to set up a time for either the afternoon of 2/13 or the morning of 2/14. More information will come soon.

Going home is the Gymkhana field trip permission slip. Please make sure you send it back as soon as you can.

Speech Tip from Miss Grace

Family meal time is a great time to practice language skills. It is a great opportunity to practice social skills such as saying please and thank you as well as taking turns and waiting for dishes to be passed. You can have your child work on requesting different foods being served at dinner. While sitting at the table, work on asking and answering questions. Ask open-ended questions and provide wait-time for your child to answer.

Reminders

My email has not been functioning correctly so the district has provided me with a new one— ltaylor1@esd20.org. Please keep this in your records for when you need to reach me by email. Thanks!

Important Dates

2/13- Gymkhana Field Trip (no regular classes)

2/14- Parent Teacher Conferences (no regular classes)
