

# Mrs. Shannon's Newsletter January 27, 2020

## In January No Special Events

## What we are learning

This week we will continue to be learning about winter and snow and ice. We will read several snow themed stories. We will practice identifying letters by looking for a hiding penguin. We will continue to practice identifying shapes by making a fun shape collage.

We will be having parent teacher conferences On Feb 13<sup>th</sup> in the afternoon or on Feb. 14<sup>th</sup> in the morning. These conferences are if you or I have any concerns. If I do not contact you and you do not have any concerns then a conference is not needed at this time.

### Speech Tip

Family meal time is a great time to practice language skills. It is a great opportunity to practice social skills such as saying please and thank you as well as taking turns and waiting for dishes to be passed. You can have your child work on requesting different foods being served at dinner. While sitting at the table, work on asking and answering questions. Ask open-ended questions and provide wait-time for your child to answer.

## At Home

Practice sorting! Your child can sort silverware, laundry or their stuffed animals.

## Books We Will Read

Dinos in the Snow, Froggy Gets Dressed, Snowy Day

## Reminders

Please return field trip forms if you have not already.
