

January

Week of 27-31

Wow I can't believe it's the last week of January. This month went fast! The students have been doing a great job continuing to understand the classroom routines and expectations. The students have loved our music time during the day, and exploring the different kinds of fidgets that I have in the classroom. We have also been working on taking turns and sharing with our friends throughout the day as well.

Parent teacher conferences are coming up I will be sending home a schedule for those who wish to have a conference. Reminder these are not mandatory for those who have already had conferences.

Speech Tip from Miss Grace

Family meal time is a great time to practice language skills. It is a great opportunity to practice social skills such as saying please and thank you as well as taking turns and waiting for dishes to be passed. You can have your child work on requesting different foods being served at dinner. While sitting at the table, work on asking and answering questions. Ask open-ended questions and provide wait-time for your child to answer.

Reminders

If you have not turned in your Gymkhana Field trip permission slip please be sure to do so ASAP. Thank you!

Important Dates

2/13- Gymkhana Field Trip (no regular classes)

2/14- Parent Teacher Conferences (no regular classes)
