Welcome back! I hope everyone had a great break.

We are going to be starting our winter unit talking about snow, winter clothes, and winter animals.

Our color weeks are over but the kids had a lot of fun with them so we will be continuing on with shape weeks.

Please remember to turn in your permission slips for Parent Education so we know how many

A Note From Our Speech Therapist:

Remember language is everywhere, even if your child doesn't understand everything you are saying, he or she needs the exposure. Car rides, walks outside, blowing bubbles are just a few examples. Describe what you see, and ask questions, e.g., "I see a cow. What does a cow say?"
